- Students need to **prepare 8 module choices** for submission with their application
- Students who wish to be considered for **on-campus housing** have to **indicate their interest** in their application
- Refer to this [link](#) for more info.

Modules Selection

Refer to the [NG Module List](#) for the list of modules open to exchange students (NUS Semester 1, 2023 modules will be updated closer to the start of Semester 1 exchange application)

Note:

- Students are to ensure that they **meet the [pre-requisites](#)** for the modules they apply for.
- Undergraduate students should select Level 1000 – 3000 modules. Please note that Level 4000 honors modules have very limited quota, so it is highly competitive to enrol into these modules. We strongly recommend exchange students to consider the Level 1000 – 3000 modules. Undergraduate students will not be considered for Level 5000 – 6000 graduate modules.

- Module enrolment is **subject to availability and demand**, students should have **more flexibility** in their module selections as there's no guaranteed enrolment into any modules. We recommend that students **prepare some back-up modules** in the event of oversubscription or timetable clashes.
- Refer to this [link](#) for more info.

Immigration & Insurance

Travellers who fulfil the public health requirements listed [here](#) can enter Singapore without testing and quarantine.

Exchange students need to **fulfil the vaccination requirements for holding a Student's Pass**. Refer to the question: "*What combinations of vaccine doses do I need to fulfil the vaccination requirements for Long Term Pass Holders?*" at the Singapore's Ministry of Health [website](#).

Exchange students are covered under the [NUS Medical Insurance Scheme](#). For more info regarding COVID-related coverage, click [here](#).

Students are strongly encouraged to purchase supplemental travel insurance to ensure they are adequately covered during their time abroad.

Note:

- Students need to login to Singapore Immigration ICA's application portal to complete their Student's Pass application
- Prepare the [documents required](#) in advance

- Once the application is approved, you will be issued an IPA letter for entry to Singapore. For students from a [\[ica.gov.sg/enter-depart/entry_requirements/visa_requirements\]](https://ica.gov.sg/enter-depart/entry_requirements/visa_requirements) visa-required country, the IPA letter also serves as a single-entry visa to enter Singapore
- Complete the Student's Pass formalities after your arrival to Singapore. Book early to secure an Offsite Enrolment Exercise (OSE) in NUS appointment slot.
