

# Blue Marble Study Tour 2024

## Program Overview

Join students from Deakin's international partner institutions for a 2-week program. The study tour includes a range of academic, cultural and leisure activities including:

- Access to world class university facilities in Geelong and Melbourne (Burwood), Victoria, Australia
- Discipline specific guest lectures and workshops from leading academics
- Great Ocean Road and Melbourne CBD tour
- Social events with fellow students
- Deakin University campus tours
- Australian cultural and wildlife tour

All activities are subject to change due to availability, weather, and other limitations.

## Schedule

**Sunday 6 October - Saturday 19 October 2024**

### Day 1 - Day 7

Experience what it's like to study in Geelong, the second largest Victorian city and the home of Deakin's Waterfront and Waurn Ponds campuses.

Meet our leading academics, attend discipline specific workshops, and immerse yourself with Australian culture. The week will conclude with a tour of the spectacular Great Ocean Road.

### Day 7 - Day 14

Make your way to the Burwood campus and experience life at our city campus. The week will include workshops, study experiences and a tour of Australia's best student city - Melbourne.

### Closing Ceremony

Dress up in your best cultural dress at an exclusive closing ceremony. Receive your participation award, hear from guest speakers, and say farewell to the friends made throughout the program.

## Cost of the Program

The following expenses will be covered by Deakin University:

- Program fees, lectures and workshops
- Tours including the Great Ocean Road, Melbourne CBD, and Australian cultural and wildlife tour
- Accommodation
- Meals indicated on the program
- Private shuttle transport during the program
- Airport transfers and public transport 'Myki' card with a starting balance of \$35

Students are required to pay for the following expenses:

- International flights and visa cost
- International travel insurance
- Extra curricular activities not provided as part of the program
- Food and drink not covered as part of the program

## Accommodation

Students will stay on or nearby campus in twin share/private accommodation. The accommodation has shared facilities including bathroom, shower, kitchen and laundry. The accommodation provided is also safe and secure with new furnishings and a 24/7 reception.

## How to Apply

This program is available to 30 students studying at Deakin's partner institutions and interested in the fields of architecture and built environment, engineering, life and environmental sciences, and information technology. Students must be over the age of 18 to apply.

Apply via [tinyurl.com/BlueMarble2024](https://tinyurl.com/BlueMarble2024) by Sunday 14 July 2024.
