» Technical Session (TS)

Oral presentation, full-paper peer-reviewed

Authors are invited to submit complete unpublished papers in English. Submission should be in the form of PDF with a maximum paper length of six (6) printed pages (10-point fonts) including figures, in accordance with SEATUC author guidelines. Submitted papers will be peer-reviewed by at least two reviewers. Only the accepted papers can be presented in the technical session as oral presentations and published in SEATUC 2022 proceedings. Authors of selected papers will be invited to submit extended versions of their papers to SEATUC Journal of Science and Engineering (SJSE). Some papers may be accepted in the innovative session as poster presentations.

» Innovative Session (IS)

Poster presentation, abstract reviewed

SEATUC 2022 also includes innovative session in which researchers can present and discuss their work-in-progress ideas, ongoing research, and experimental studies. Authors are requested to submit 300-word abstract (with one figure accepted) in the form PDF, which are then reviewed. The authors of accepted abstracts can submit their final manuscripts in the form of PDF: 1) the same format as the technical session up to four (4) pages; or 2) 6-up printed PowerPoint slides; or 3) 1-page poster presentation format, which are published in SEATUC 2022 proceedings. The papers in the innovative session are presented as poster presentations.
