R&D theme	Please keep the title within 25 words.				
Objective, content, and social needs of R&D					
Method, schedule, and outcome of R&D					
R&D duration	() years () months	Start date	YYYY / MM	End date (if any)	YYYY / MM
Achievements in R&D					
Type of achievement	E.g., Publication of a research paper, etc.			Date of achievement	YYYY / MM
Details of achievement					
Innovativeness in R&D					
Features; originality; and scientific and technological significance	Please describe the situation of the field of your R&D in your country, considering the current global situation and identify the features, originality, and scientific and technological significance of your R&D.				

Science, Technology and Innovation (STI): Phase of Social Implementation	
Social implementation plan of R&D	
Specific ideas	Please describe how your R&D achievement can be implemented in your country or the ASEAN region, specifying how and with who. Possible collaborators can be not only researchers but also the government, corporates, communities, and individuals. Your ideas can be under planning, but specific description is preferred.
Action plan	<p>Please describe schedule, location, and collaborator if you have a concrete action plan. The action plan can be not only the commercialization of products as the result of R&D, but also such activities as follows:</p> <ul style="list-style-type: none"> ▪ The promotion of social consciousness ▪ Human resource development in science and technology ▪ Knowledge transfer and skill training ▪ Provision of scientific evidence and action proposal to policy makers ▪ Transformation of social, economic, and institutional systems
Innovativeness of social implementation plan	
Social significance	Please describe why your social implementation plan is innovative. Please explain the current situation of social, economic, and institutional systems; workstyle and lifestyle: social consciousness, commonly used technology in your country or the ASEAN region, and how your plan can transform this situation and make a positive impact on society. If your plan is still under development, please describe your ideas and explain what kind of social innovation is necessary.

Sustainability	
Sustainability of our R&D and social implementation plan	
Sustainability and social impact	Please describe how sustainable your social implementation plan is and quantitative (if possible) social impacts your R&D and social implementation plan would bring to realize an ideal society. Also, please state relevant goals of the SDGs if any.

Attachments
R&D Introduction Video
Please create an R&D introduction video (maximum 5 minutes) that illustrates your workplace, experiment, and field study. Please upload the video file to Google Drive and indicate the link. Please note that the purpose of the video is to learn about your R&D, so your video editing skills will not be assessed. < URL of Google Drive >
Evidence of your achievement in R&D
Please list the evidence of your R&D achievement. If it is a published paper, please indicate the information, including the author, title, publication, volume, year, and pages. Relevant evidence and reference can be included to the list. There is no limitation on the number of the evidence, but please submit maximum three PDF files of the listed items as the evidence along with the application form.
